**The Royal Society of Edinburgh (RSE)** is an educational charity, registered in Scotland. Independent and non-party-political, we are working to provide public benefit throughout Scotland and by means of a growing international programme. The RSE has a peer-elected, multidisciplinary Fellowship of 1500 men and women who are experts within their fields.

The RSE was created in 1783 by Royal Charter for “the advancement of learning and useful knowledge”. We seek to provide public benefit in today’s Scotland by:

**Organising** lectures, debates and conferences on topical issues of lasting importance, many of which are free and open to all.

**Conducting** independent inquiries on matters of national and international importance.

**Providing** educational activities for primary and secondary school students throughout Scotland.

**Distributing** over £2 million to top researchers and entrepreneurs working in Scotland.

**Showcasing** the best of Scotland’s research and development capabilities to the rest of the World.

**Facilitating** two-way international exchange to enhance Scotland’s international collaboration in research and enterprise.

**Emphasising** the value of educational effort and achievement by encouraging, recognising and rewarding it with scholarships, financial and other support, prizes and medals.

**Providing** expert information on Scientific issues to MSPs & Researchers through the Scottish Parliament Science Information Service.
